For Erasmus+ project „**Talented Entrepreneurs on Job Market**“

N°2020-1-IT02-KA229-079256\_2

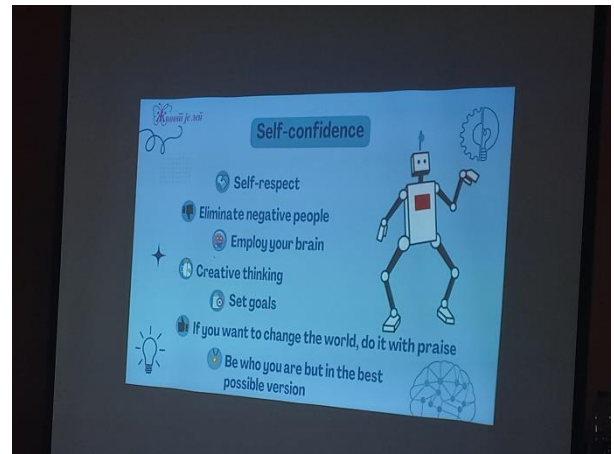

### **The first day – 3.10.**

- Welcome to the school - our students welcomed our dear guests, representatives of partner schools in the traditional way (cake and salt), hosted them at the school, introduced them to the school facilities, showed them the school laboratories. The director, Dušan Stojanac, welcomed the guests and a good working week.
- School presentation – each partner presented their school through a presentation
- Presentations - the team leaders presented their works that they had so far at this week's training. Presentations are available [here](#).

### The second day – 4.10.

- Reception in the [City Library](#) - the director of the "Atanasije Stojković" Library Damir Toskić welcomed the guests to the new location, a beautiful building of historical significance, introduced them to the work of the library and showed them a wide range of books.
- Motivational coach - lecturer Snežana Nerić - Ivanović, motivational coach from Kragujevac, today's lecturer, represents the most important qualities that a young person who wants to find a good job after school should have. It also works with students to build self-confidence and guide them to think creatively. It encourages them to work in groups and express their opinions on the given topic. More about the lecturer - [here](#).
- [Motivational coach](#) - a presentation was used during the workshop.
- Teachers dinner - Restaurant Borkovac - welcome dinner for all teachers involved in the project.

### The third day – 4.10.

- Manifestation „Safe tractor and other agricultural machinery in traffic“ in our school – representatives of the Ministry visited our school, representatives of local municipality, many children from city kindergartens, attended a presentation on traffic safety for tractor drivers as well as a competition of our students in driving a tractor on a marked training ground. Guests had the opportunity to try driving a tractor.
- Visit Novi Sad and The Petrovaradin Fortress – we visited the Hopovo monastery, the Petrovaradin fortress and the city of Novi Sad, the capital of culture for this year. The guests were introduced to our history and tradition and were able to enjoy a wonderful afternoon in Novi Sad.

### The fourth day – 5.10.

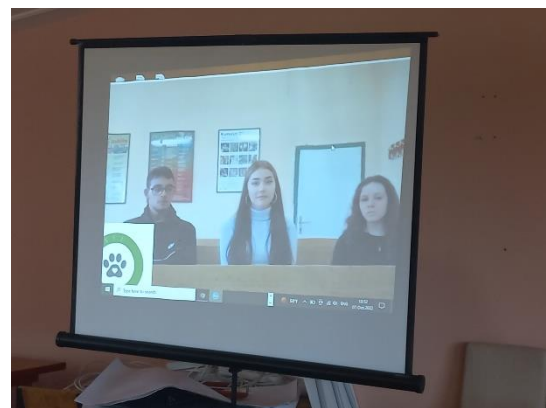

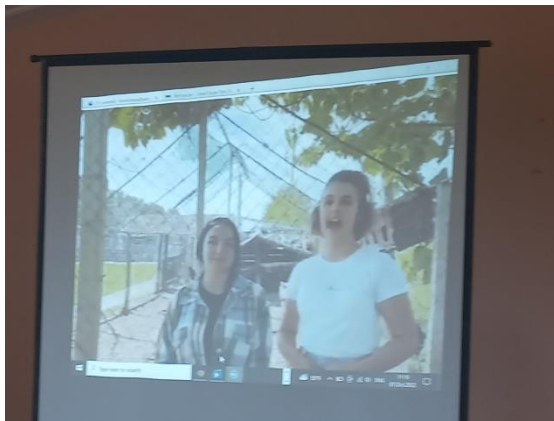

- Social network for finding a job - group work - students are divided into groups with one representative from each country. Ivana Stanković explained the tasks, the rules of group work, set the ultimate goal of today's work, and together they agreed how much time they needed to do the task. Elements from the presentations presented on the first day had to be included in today's work. Special emphasis is placed on: communication, respect for different skills within the group, a clearly set goal at the group level, a good choice of company - the reason why that particular company.
- Staff meeting - representatives of the partner countries agreed on a tentative date for the next two mobilities in Turkey and Latvia. The proposed dates are Turkey: working days 6.2.-10.2. plus two days for travel and Latvia: working days 8.5.-12.5. plus two days for travel.
- Presentations on using social network - Continuation of group and team work - clear explanation of the choice of social network for personal presentation. Creating a video to be posted online and presenting how to apply for a future job. Referral to the [LinkedIn](#) social network.
- Cultural visit – teachers visited Sremska Mitrovica, a city with historical significance. Colleagues Slavica Radosavljević and Aleksandar Mišković were locals during this visit.
- Dinner with students and teachers - Restaurant Bambi - joint dinner for students and teachers.

### The fifth day – 6.10.

- Interview - group work - the students worked intensively on finishing the video, creating the logo, designing the presentation of the team members. The task was to familiarize the teachers with the phases of work, decisions, steps, thoughts that they had to post in order for them to be chosen to work in the company where they are applying for a job.
- Presentations of interviews - the presentations were interesting. After each one, a discussion developed, questions were asked, and we could also hear suggestions for possible changes. All papers can be found here:
